## Nighttime Ramp Closures for Electrical Work & Temporary Lights for Upcoming I-95 Corridor Project

**Traffic Information:** DeIDOT announces to motorists that the following ramps will be closed at nights for electrical work and temporary lights for the upcoming I-95 Corridor Project:

**Times and Dates: 8 p.m. until 6 a.m. on February 4, 2021 and February 5, 2021, pending weather**

### I-95 Northbound On-Ramp from Delaware Avenue

#### Detour Routes for I-95 Northbound On-Ramp from Delaware Avenue:

Motorists from Adams Street will turn onto Lovering Avenue, then left onto North Harrison Street, left onto Gilpin Street and turn right onto Jackson Street. Traffic will then continue on Jackson St., turn left onto 9th Street and then left onto Adams Street. Motorists will then access the I-95 northbound ramp at 10th Street.

Motorists from 12th Street will be directed to continue on Delaware Avenue and turn right onto North Van Buren Street, then right onto Gilpin Street and right onto Jackson Street. Traffic will then continue on Jackson Street, turn left onto 9th Street and then left onto Adams Street. Motorists will then access the I-95 northbound ramp at 10th Street.

**Times and Dates: 8 p.m. until 6 a.m. on February 5 through February 8, 2021, pending weather.**

### **I-95 Southbound Off-Ramp to Exit 7B/Delaware Avenue**

#### **Detour Route for I-95 Southbound Off Ramp to Exit 7B/Delaware Avenue:**

Motorists will take Exit 7A and turn left on Adams Street and then turn left onto Delaware Avenue.

Detour signage will be posted for motorists.
